**Shandong Hengda
Brand Packaging Co., Ltd**

► Company profile

Shandong Hengda Brand Packaging Co., Ltd. was established in 2003. The company has more than 400 employees and covers an area of more than 50,000 square meters, including more than 30,000 square meters of modern production workshops, dust-free workshops and purification workshops. The company has 7 full-automatic non-woven fabric production lines, full-automatic gravure computer color printing machines, soft package laminating machines and other series of advanced production lines and processing equipment. The annual output is more than 40,000 tons of various high-quality non-woven fabrics per year and more than 1.5 million bags of various types per day.

Hengda has complete quality assurance measures and methods, and has successively passed ISO9001 quality management system certification, ISO22000 food safety system certification, ISO14001 environmental management system certification and national

food industry packaging production license. It has more than 30 national invention patents, utility model patents and appearance design patents. It is a national high-tech enterprise and a provincial-level new enterprise with professional characteristics.

The company is one of the main suppliers of Wilmar international limited, the world's largest grain, oil and food group, and the designated supplier of leading Chinese companies such as COFCO, Keming Flour and Jinmailang. In addition, we are providing high-quality and stable services to more and more international customers.
